

Top 100 CU Presents the Top 100 Credit Unions in
Business Lending
for
2005*

*This data was compiled using the NCUA 5300 call report data for June 30, 2005.

* The 5300 call report data is now collected and reported by all credit unions. We took that data, sorted and analyzed it. The 5300 call report became the foundation of our research. If any data in this book is inaccurate, data on the 5300 call report is inaccurate.
